This year, the Women's Foundation of Southern Arizona awarded $849,820 in grants that helped 63,500 women and girls increase their income and assets by nearly $5 million.

Every $1 you invest creates $10.80 for women in Southern Arizona.

Here's what else we created this year:

- 877,083 people reached with advocacy information
- 155 women secured employment
- 566 women secured housing
- $4,911,212 in increased income
- $64,790 in savings created
- $72,186 in decreased debt

**ROI calculated from the investment in our Annual Grantees, who report their outcomes**
